Who are your coaches on this course ?

Sylvia Verschraege :

Professional sports teacher and coach, specialized in movement analysis, with a 18 years classical ballet background, she's now coaching only adults.

During a 25 years brilliant career in shipping and logistics (1983 – 2008), she decided in 2000 to turn back to her passion : Ice Skating and Dance.

As a child she competed in Belgium in figure skating (1967-1968), coached by Georges Henrotte. At that time she also spent a lot of time to practice in Switzerland, in Davos.

At the age of 18 she started Ice Dance. Later she competed with Adults in Dunkerque/F (2001-2002).

In her own words, she had the happiest moments of her coaching career with youth when teaching her son Mathias towards international Ice Dance competitions.

Inspired by Jimmy Young she's Gold test medallist Ice Dance as well in Belgium (with Corey Lapaige) as in UK (with Jason Blomfield).

Sylvia is the founder of the Skate Academy Online, which is an innovating concept of coaching figure skating and ice dance.

Sylvia can fluently coach you in 4 languages (French, English, Dutch and German)

Mathias Timmermans :

Former international Ice Dance competitor, Mathias has been a lot on practice in the UK with Helen Prior, he also spent several month in the USA on intensive practice.

During his first years of skating, he became Bronze test medallist figure skating in Belgium

He's also Silver test medallist in Belgium, Pre-Gold in the Netherlands, and Gold in the UK in Ice Dance (skated in tests with Sylvia Verschraege and Helen Prior).

Mathias can fluently coach you in 3 languages (French, English and Dutch)

Christine Schmidt :

Former show skater in companies Ice Capades and Holiday on Ice, Christine has been coaching numerous competitors in figure skating, some of them at high level. She is a German gold test medallist in figure skating and French Vermeille ice dance test medallist.

Christine is working together with Sylvia at the Skate Academy Online.

Christine can fluently coach you in 4 languages (French, English, Dutch and German)
