## **Jimmy Young**

Is a truly inspiring Coach. He is a NISA Level 5 Coach. He has coached numerous Olympic competitors from many countries including Britain, Austria and Japan. He has worked with many famous coaches Betty Callaway, Tamara Tarasova, Natalia Linichuk and Murielle Boucher. Has had couples place 3<sup>rd</sup> in Europeans and 5<sup>th</sup> in Worlds, alongside many Junior and Senior national champions in Finland, Sweden, Austria, Japan, Germany and of course Great Britain. And in Jimmy's words 'also had the pleasure of coaching Jason, Helen and Daniel'. Alongside coaching, Jimmy was also an ISU Technical Specialist (now retired), he officiated at two Junior World Championships and many Grand Prix's for both Junior and Senior.

**Jason Blomfield** Was taught and inspired by Jimmy Young and went on to compete at both Europeans and World Championships in Ice Dance.

Since then he has gone on to become a NISA Level 3 coach who has trained many British Champions. His love of Ice Dance and the exquisite technical ability make him a very popular coach and mentor.

**Helen Prior** Former International competitor taught by Jimmy Young and Peri Horne, Helen is a NISA level 3 coach and Gold Test Medallist, who has trained National champions and international competitors. She is also an ISU Technical Specialist and holds a Diploma in Fitness Consultancy & Sports Therapy.

**Daniel Smith** A former British national and international Ice dancer also coached by Jimmy along with Jason. Based in central London, he has been coaching since 2003 and enjoys working with skaters of all levels. His students have enjoyed success at club and national level in both free skating and ice dance. Recently one of his students became the 2015 British Junior Solo Dance Champion.

<p style="text-align: center;">Basics Annie's Edges Step Sequences Interpretation Improvisation</p>	<p style="text-align: center;">Technique Class</p> <p>Since the change to the new IJS judging system, Ice Dance has changed drastically and the requirements of modern Ice dance has gone from being mainly compulsory pattern dance based, to skaters needing a new skill set, with more emphasis on turns and many other various skating skills. For the first time we plan on providing a course where we Will offer a series of exercises ranging from simple to advanced skills which will help every skater improve. These will be exercises that you can take back to your own clubs/rinks and practice on every session. Hopefully bringing a new dimension of fun and experience into your training.</p>	<p style="text-align: center;">Riverside Rhumba &amp; Fiesta Tango Starlight Waltz Blues Westminster Waltz Argentine Tango</p> <p style="text-align: center;">Free choice or Tea Time Foxtrot (if enough interest)</p>
